CIRCULAR FOR THE WEEK 16th to 22nd APRIL 2012

Dear Friends,

This week I would like to salute the man who has done more than most to make this world a better place to live in. Join me in saluting the founder of Rotary Paul Harris, whose anniversary we celebrate this week. Just like his life and work was a celebration of compassion, humanity and largesse, we should all strive to emulate his ideals in whichever way we can. For it is true, when ashes return to ashes and dust returns to dust ... all that remains is the legacy we leave behind.

This week we have
